PROPOSAL 5 – REDUCTION OF SHARE PREMIUM ACCOUNT

At the AGM, the Board, pursuant to the provisions of section 46 of the Companies Act, will ask the Shareholders to approve a reduction of US\$75,000,000 in the Company's Share Premium account (referred to as additional paid in capital in the financial statements of the Company) and to credit the same amount resulting from this reduction to the Company's Contributed Surplus account. The Share Premium account is the amount of share capital which exceeds the aggregate par value of the Company's outstanding Ordinary Shares of par value US\$1.00 each. The purpose of this proposal is primarily to increase the ability of the Company to declare and distribute dividends to its Shareholders.

The Company's policy is to pay out the majority of its free cash flow after debt service on a monthly basis. Any dividends or distributions in the future will be at the sole discretion of the Board and will depend upon earnings, market prospects, current capital expenditure programs and investment opportunities. The timing and amount of dividends or distributions, if any, is at the discretion of the Board and the Company cannot guarantee that its Board will declare dividends or distributions in the future.

Under Bermuda law a company cannot pay dividends from share premium. In addition, section 54 of the Companies Act provides that a company may not declare or pay a dividend, or make a distribution out of contributed surplus if there are reasonable grounds for believing that (a) the company is, or would after the payment, be unable to pay its liabilities as they become due; or (b) the realisable value of the Company's assets would thereby be less than the aggregate of its liabilities and its issued share capital and Share Premium accounts.

As at June 10, 2021, the balance of the Company's Share Premium Account was US\$105,232,597. It is possible that in the future, the Company's ability to pay dividends or make distributions will exceed its retained earnings and contributed capital surplus. The Board have therefore put forward this proposal to reduce the Share Premium account from US\$105,232,597 to

US\$30,232,597 by the transfer of US\$75,000,000 of the Share Premium to the Company's Contributed Surplus account with effect as of July 1, 2021 (the "**Effective Date**"). This will enable the Board to declare dividends and make distributions as long as the Company is solvent, and the realisable value of its assets exceeds its liabilities and issued share capital.

Under Bermuda law, the Company if authorised in a general meeting may, subject to any order made by the Minister of Finance of Bermuda and to its Memorandum of Association and Bye-laws, either with or without extinguishing or reducing the liability of any of its shares and either with or without reducing the number of shares, reduce any paid up capital that is in excess of the requirements of the Company. The Company's Bye-laws provide that subject to the Companies Act, the Company may by Resolution authorise the reduction of its issued share capital or any share premium or contributed surplus account in any manner whatsoever.

The Company is required, in order to effectuate such reduction, (a) not more than 30 days and not less than 15 days before the Effective Date to cause a notice to be published in an appointed newspaper or website stating the amount of the share premium as last previously determined by the Company, the amount to which the share premium is to be reduced, and the date as from which the reduction is to have effect; and (b) on the date as from which the reduction is to have effect, a confirmation of solvency shall be given by an appropriate officer declaring that on that date the Company is solvent and after the reduction will be able to pay its liabilities as they become due.

Within 30 days after the date such reduction of the share premium is effective, the Company, as required under section 46(5) of the Companies Act, will file a memorandum, with a copy of the notice referred to above, with the office of the Bermuda Registrar of Companies (the "**Registrar**"), notifying the Registrar of compliance with the Companies Act.

PROPOSAL 6 – RE-APPOINTMENT OF INDEPENDENT AUDITORS

At the Meeting, the Board will ask the Shareholders to approve the re-appointment of PricewaterhouseCoopers AS of Oslo, Norway as the Company's independent auditors and to authorise the Board to determine the auditors' remuneration.

Audit services provided by PricewaterhouseCoopers AS in fiscal year 2020 included the examination of the consolidated financial statements of the Company and its subsidiaries.

PROPOSAL 7– TO APPROVE DIRECTORS' REMUNERATION

At the Meeting, the Board will ask that the Shareholders to approve remuneration of the Company's Directors of a total amount of fees not to exceed US\$150,000 for the year ending December 31, 2021.

Management knows of no business that will be presented for consideration at the Annual General Meeting other than that stated in the Notice of Annual General Meeting.
